Then Monday brings you our main event of 18 holes of championship golf paired with pros and celebrities guaranteed to be an exciting and action packed day. This is a one-of-a-kind experience we promise you won't want to miss and all while raising money to change lives!

Golf Fore Africa was founded in 2007 by LPGA Hall of Fame Golfer Betsy King. Our mission is to bring clean, fresh drinking water to over 200,000 people in rural Africa and we are committed to helping end the global water crisis by 2030. We hope by empowering the golf community to support these transformational programs, we can bring hope, change and enhance the lives of the families we serve.
