

2024 PENNSYLVANIA PRO-AM

June 3, 2024 at LedgeRock Golf Club

Join LPGA Hall of Famer golfer Betsy King and other LPGA Tour Pros at the stunning and private LedgeRock Golf Club, located just outside Betsy's hometown of Reading, Pennsylvania. The 18-hole course features both wooded and open areas with streams and ponds creating an idyllic terrain.

The Pennsylvania Pro-Am benefiting Golf Fore Africa is an unique opportunity to raise much-needed funds for clean water in Africa, all while enjoying a memorable day of golf with LPGA tour professionals at LedgeRock. The Pro-Am will feature a scramble format and each group will play with two different LPGA professionals, one on your first nine and one on your second nine.

A luncheon will follow play with award presentations and a silent auction. You will also learn more about Golf Fore Africa's mission of providing long lasting, clean water to communities in Zambia. By participating in our events, you are not simply enjoying a memorable day of golf but you empower a community. Clean water impacts all areas of a person's life: hygiene, safety, education, healthcare, agriculture, and economies.

Please join our team as we strive to make a tangible difference in countless lives by taking part in our Pennsylvania Pro-Am!

Go to golfforeafrika.org to register now, spots are limited!
